

Promising Attack

A Basic Guide

An attacking “*Move*” or “*Play*” when play is moving towards the opponent’s goal which has the “*Potential*” to score or develop into an “*Obvious Goal Scoring Opportunity*”

- The ***considering*** factors:
- Is a ***Counter Attack*** developing?
- Is the ***Space*** available to the attacking team/player/s?
- Is there a ***numerical Advantage***? (number and ***location*** of those involved)
- ***Distance*** to goal. (Player skills a consideration)
- ***Direction***. (Going towards the opponent’s goal)
- ***Possession*** or the ***likelihood*** and ***ability*** of ***possessing*** the ball.
